

~ Book Description for
The Soul Whisperer: A Trilogy of Soul Awakening,
Revelations & Insights ✿ ~

“Sharing the Unknown & Untold Powerful Secrets Of The Soul”

The Soul Whisperer allows the Spiritual Author Eleesha, to share her enigmatic *automatic-writing gift* to help inspire readers to discover, unleash and utilize, the unknown and untold Powerful Secrets of the Soul. This profound book is not just a book about life, but about understanding the Soul's significance; its presence and purpose – in your life.

The Author expresses her gift, by taking her readers on an enlightening Trilogy of Soul, by simply uncovering many hitherto unknown paths of *Soul Awakening, Insights & Revelations*. Her words enlighten her readers to push beyond the limited boundaries of their present state of mind, and to explore the limitless boundaries and potential of the inner Soul. This is a place where the Soul whispers its secrets; its insights and revelations; so they may not just be heard, but – purposely utilized throughout your life.

Eleesha’s auto-written insights and revelations are shared with the same heartfelt purity and wisdom that the whispers of her Soul have been so graciously shared and gifted, to her. This book encourages its readers to work in partnership with their Soul; to not just unearth and unleash the undiscovered and hidden secrets of the Soul, but to evolve with the wisdom; clarity; and foresight; to immediately begin applying what the Soul has to share – in their lives.

Let it be said that; regardless of your present faith, beliefs, denomination, spirituality, race or culture – this inspirational life changing book will inspire, empower, and help guide you along your life's unique journey of Soul, with immense vision and clarity. So, readers will not just be able to clearly define and understand their life's hidden purpose and destiny – but begin to utilize the wisdom; power; and knowledge; of the Soul – to help fulfill all they are destined to do, or become.

Let the wise words that are shared in this book, help you embrace the inner power and presence of your Soul; so, you can get inspired and remain inspired, not just today – but for a lifetime!
